

Get ready for the  
best Book Printer  
of the Year

**If you would like better margins, an extended portfolio of services and a proposition that leaves your competitors in the last century, we've created something especially for you.**

We've brought three new devices to market

**For small to medium graphic arts businesses**

*Ricoh Pro™ C7100 Series*

The Pro C7100 series delivers a premium finish that allows you to expand your print capacity and seize new digital opportunities with a 5<sup>th</sup> colour station.

**For larger commercial printers**

*Ricoh Pro™ C9100 Series*

The Pro C9100 series is a range of affordable digital colour production printers that have greater media handling capabilities than anything else in its class.

**For medium to large graphic arts businesses**

*Ricoh Pro™ VC60000 Series*

The Pro VC60000 series uses continuous feed, multi-drop ink technology that offers lightning-speed printing and is perfect for future-proofing your business.

Pro™ C9100 Series

**Let's shape your digital strategy... here's how**

Allow us to show you exactly how your business could prosper.
