

Isn't it time
you gave your
business a
health check?

RICOH

Ask about a FREE Print health check from
CityDocs and see how much you could benefit

A check-up could help you discover multiple benefits for your business

- Reduce cost of document print and IT infrastructure
- Consolidate supply chain, assets, contracts and invoices
- Increase efficiency by optimising business processes
- Maximise productivity of staff and technology
- Minimise risk and enforce compliance with automated document workflow
- Improve communication with customers, suppliers and staff
- Manage environmental impact by enforcing best practice
